**ESL Visa Check Card** The ESL Visa Check Card provides you with all of the features listed for the ESL ATM Card, and in addition, allows you to make electronic purchases directly from your designated ESL Checking Account. Visa purchases made with an ESL Visa Check Card are directly debited from your designated ESL Checking Account.

**ESL Visa Health Savings Account (HSA) Card** The ESL Visa HSA Card provides you with all of the features listed for the ESL ATM Card, and in addition, allows you to make electronic purchases directly from your designated ESL HSA.

**TEL-E\$L (Automated Telephone Transaction Service)** TEL-E\$L is a computer assisted telephone self-service banking system that's available 24 hours a day, seven days a week. You can complete transfers between accounts in your name and obtain important credit union or account information by following a series of computerized voice prompts. TEL-E\$L requires the use of a pre-assigned Personal Identification Number (PIN).

**Automated Clearing House (ACH) Transactions** The ESL ACH transaction service allows you to electronically perform credits and debits against your share accounts at ESL and transfer funds from other financial institutions to pay your loans or mortgages at ESL. These transactions are authorized by you through ESL or another institution and transmitted electronically.

**Electronic Check Conversion (ECK)** When you provide a check for payment, you authorize us to either use information from your check to make a one-time electronic fund transfer (ECK) from your account or to process the payment as a check transaction. For electronic transactions, funds may be withdrawn from your account as soon as the same day we receive your payment and your check will be destroyed.

**ESL Online Banking** This service allows you to access all your ESL accounts via the Internet 24 hours a day, seven days a week. You can transfer funds between accounts at ESL as well as make external transfers. In addition, you can view check images, receive your statements, change your address, order checks and much more.

**ESL Mobile Banking** This service is offered as a convenience and supplemental service to our ESL Online Banking services. It is not intended to replace access to ESL Online Banking from your personal computer. ESL Mobile Banking allows you access to your ESL account information, make payments to payees, transfer funds and conduct other banking transactions. To utilize ESL Mobile Banking services, you must be enrolled in ESL Online Banking.

**ESL Text Banking** Using this service, you may send certain text message codes to 454545 to instruct us to send you a text message response providing basic information about the accounts you have with us. To utilize ESL Text Banking, you must be enrolled in ESL Online Banking.

**ESL Online Bill Pay** ESL Online Bill Pay is offered through Fidelity National Information Services, Inc. (FIS) to members who use ESL Online Banking. ESL Online Bill Pay allows you to make payments to merchants, other institutions or individuals from your designated ESL Checking Account via the Internet. You can make one-time payments as well as set up recurring periodic payments.

**Expedited Payments (via ESL Online Bill Pay)** Also offered through FIS to members who use ESL Online Banking. Expedited Payments allows you to make next business day payments to merchants, other institutions or individuals from your designated ESL Checking Account via the Internet. Depending on the payee, the Expedited Payment may be processed electronically (ACH) or with an overnight check (paper). A convenience fee will be assessed for each Expedited Payment through ESL Online Bill Pay, see Fee Schedule.

Please note, not all payees will accept expedited payments and limited payees will accept electronic payments.

**ESL In-Person Bill Pay** ESL In-Person Bill Pay Service is offered through Allied Payment Network, Inc. to allow you to make one-time bill payments, via ACH.

**Person to Person Payments (via ESL Online Banking)** Also offered through Cash Edge to members who use ESL Online Banking, this service allows you to send funds via email, text message or directly to a bank account to anyone in the U.S.

**Member to Member Transfers** Using ESL Online Banking, you can transfer funds from your ESL Checking, Savings, HSA or Loan Accounts to ESL Checking, Savings, HSA or Loan Accounts in another ESL member's name.

**Loan Payments from External Accounts** This service is offered through Digital Insight to members who use ESL Online or Mobile Banking. You can transfer from your checking or savings accounts at any external financial institution to pay your ESL loan.

**All Electronic Funds Transfer (EFT) Services** This agreement is a supplement to certain other share account agreements which you have already entered into with ESL. It supplements those accounts which you and ESL have agreed will be accessed by one of the above services. This agreement supersedes all other share account agreements to the extent that there is a conflict.

The provisions of this agreement apply to all transactions covered by this agreement except where otherwise noted.

## 2. PERSONAL IDENTIFICATION NUMBERS AND SECURITY

---

### **ESL ATM Card, ESL Visa Check Card & ESL Visa HSA Card**

Taking steps to activate and use your ESL ATM, ESL Visa Check Card or ESL Visa HSA Card indicates your acceptance of the terms of this agreement. Since the ESL Visa Check Card/ESL Visa HSA Card are debit cards, you also need to sign them. The cards must be used, together with your Personal Identification Number (PIN), to activate at the ATM or POS terminal. Notice of your PIN will be mailed to your statement address of record in a sealed computer mailer so that no one sees your PIN except you. You may change your assigned PIN at any ESL ATM. You are responsible for the control and use of the cards and/or PIN for yourself and/or any other person you allow to possess the cards and/or PIN. For your protection, you should guard the secrecy of the PIN and not write it on the cards or keep it in any place where it may be found with the cards.

We will inform you of any changes in the way the cards may be used. You do not need to enter a PIN to use the ESL Visa Check Card or ESL Visa HSA Card at Visa merchant locations. However, you must first use the ESL Visa Check Card or ESL Visa HSA Card at any ATM, or call 844.433.1140, to activate the Visa purchase capabilities of the card.

**TEL-E\$L** When opening an account in person, you will be offered the opportunity to create your own four digit TEL-E\$L PIN number. If you do not know your PIN or you are locked out of your account, you may call us at 585.336.1000 or 800.848.2265, or use ESL Chat Banking at [esl.org](http://esl.org) and we will create a new PIN for you. You can change your PIN by following special TEL-E\$L prompts. For your protection, you should guard the secrecy of your PIN. You are responsible for the control and use of the PIN and/or any other person you allow to possess the PIN.

**ESL Online/Mobile Banking** When opening an account in person, you will be offered the opportunity to create a temporary four digit ESL Online/Mobile Banking PIN. You must use this temporary PIN to log into ESL Online Banking for the first time. You will be forced to change your PIN upon initial logon to a secure password. Passwords must contain a mix of alpha and numeric characters and have a minimum of six and maximum of 16 characters. In addition to your member number and password, an extra layer of security involving a single-use access code is required for ESL Online/Mobile Banking. During ESL Online Banking registration, you will be asked to provide up to two phone numbers and one email address. For the phone numbers you provide, you will have the option of choosing to receive your single-use access code via text message, email and/or phone call. When you attempt to login to ESL Online or Mobile Banking, your computer or mobile device will be verified by sending a single-use access code to the phone number or email address you provided at registration. You will be provided the opportunity for the access code security feature to recognize the computer and browser you are using. If you select to have the computer and browser recognized,

a cookie will be placed on that computer and browser which will allow you to bypass the single-use access code upon subsequent logins with that computer and browser. If you select to not have the computer and browser recognized, you will be prompted to receive and enter a single-use access code each time you log into ESL Online Banking. A cookie will be placed on your mobile device which allows you to authenticate your mobile device only one time. If that cookie is erased, you will have to authenticate your mobile device again. **Standard text messaging charges apply.**

If you have forgotten your password or are locked out of ESL Online Banking, you can use the password reset link available on [esl.org](http://esl.org). Instructions are provided online. You may also contact us using ESL Chat Banking at [esl.org](http://esl.org), or by calling 585.336.1000 or 800.848.2265 and speaking with an ESL Representative. The representative will provide you with a new temporary PIN that you may use to log into ESL Online/Mobile Banking and then create a new password.

Also, it is your responsibility to ensure the contributions, distributions and other actions related to your ESL HSA comply with the law, including federal tax laws.

Deposits and withdrawals from your FHC Account are subject to the requirements of the Federal Home Loan Bank of New York. Any text messages that we send you will be subject to any terms and conditions imposed by your wireless service provider.

**ESL Online Bill Pay and Expedited Payments (via ESL Online Bill Pay)** When you apply for ESL Online Bill Pay through FIS, you must designate one or more ESL Checking or HSA Account(s) as the account(s) from which payments that you authorize will be deducted. You will be given the ability to set up merchants, institutions or individuals that you would like to pay. You are not permitted to designate governmental agencies or courts. ESL reserves the right to not allow the designation of a particular merchant or institution.

You can perform the following transactions:

1. From your designated ESL Checking or HSA Account, pay any designated merchant, institution or individual in accordance with this agreement a fixed recurring amount or a variable amount "on demand."
2. Obtain information (payee information, payment status information, etc.) about your ESL Online Bill Pay account.

**Limitations for Expedited Payments (via ESL Online Bill Pay) only:** Not all payees will accept Expedited Payments and limited payees will accept electronic (ACH) payments. A convenience fee will be assessed for each Expedited Payment through ESL Online Bill Pay, see Fee Schedule.

**Transfer to External Accounts (via ESL Online Banking)**

When you register to use the external transfer service through Cash Edge, your ESL Checking, Savings and HSA Accounts are automatically enabled to perform transfers to and from external financial institution accounts in your name. A trial deposit (funded by Cash Edge generally in amounts less than \$1.00) and a trial withdrawal in the same amount is made to the designated account during the authentication process. After your receiving account has been authenticated and you verify the trial deposit amount, you are free to make transfers. External transfers are limited to \$50,000 per day or \$100,000 per month per member. A fee will be assessed for each transfer performed through this service, see Fee Schedule.

**Person to Person Payments (via ESL Online Banking)**

When you register to use the Person to Person service through Cash Edge, your ESL Checking, Savings and HSA Accounts are automatically enabled to send payments. You may choose to send funds to anyone who has Internet access and who has an email address, a U.S. mobile phone via text (standard text messaging rates may apply), or directly to a bank account to anyone in the U.S. If using email or text, the payee must collect the funds by logging into a designated Cash Edge website using a shared secret code provided by the originator. The payee will then provide a destination account for the funds to be deposited. Person to Person Payments are limited to \$500 per day and \$1,000 per month. A fee will be assessed for each Person to Person Payment performed through this service, see Fee Schedule.

**Limitations:** The following transactions cannot be made using the Loan Payments from External Accounts feature: paying off or paying down a loan, paying late fees only, making partial payments and making principal payments only. You cannot use this feature to pay your credit card. If you pay more than the required minimum payment, the extra funds will be applied to the principal.

**All EFT Services Limitations:**

1. Transfers which will overdraft or close your checking, savings or HSA account are not permitted.
2. If you initiate an online bill payment which creates an overdraft, the ESL Online Bill Pay Account and ESL In-Person Bill Pay Service will be blocked from access. All payments in ESL Online Bill Pay or ESL In-Person Bill Pay Service are SUSPENDED during the blocked period. If the payment is by check, and the check has not cleared, the ESL Online Bill Pay service will stop the check. If the payment was electronic, the ESL Online Bill Pay provider will attempt to collect funds up to three times, and an insufficient funds fee will be collected for each attempt where the funds are not available in the account.

3. Any external or internal transfer, Person to Person Payment, ESL Online Bill Pay or ESL In-Person Bill Pay which creates an overdraft will be charged an insufficient funds fee (NSF), see Fee Schedule and Special Rule for Simple Spending Account.
4. If you attempt to send a Person to Person Payment from an account with insufficient funds, the payment will be stopped. You will receive an email informing you of the situation. For your convenience, we will resubmit the payment once automatically. In the meantime, for security reasons, the account in question will be temporarily suspended for further transactions. If the payment goes through the second time, we will send you a follow-up email to let you know, and the account will be reinstated for activity. If the payment does not go through on the second try, you will receive an email informing you of the situation. This email will include the contact information of the personnel who can help you resolve the problem.
5. Transfers cannot be made from any account in an unavailable status, such as a dormant or inactive account or an account with a savings account loan for the full balance amount, or from any account subject to legal process or other encumbrance restricting the transfer.
6. There is a limit of six withdrawals a month you can make by a pre-authorized, automatic or telephone transfer, including CheckOK®, Online/Mobile/Text transfers to a third party or to another account with us (excluding ESL Loan payments) or money maker checks. ATM transactions are not included.

## **4. POSTING AND TIMING OF TRANSACTIONS AND DOCUMENTATION OF TRANSACTIONS**

---

### **ESL ATM Card, ESL Visa Check Card & ESL Visa HSA Card**

Any transfer of funds accomplished through the use of an ATM to or from an account will be credited conditionally and subject to verification as to the availability of funds. No deposit or payment of funds shall be considered final until ESL has verified and processed the transaction. Withdrawals, deposits, and transfers of funds will be posted to your account at ESL immediately.

ATM deposits made at ESL ATMs are immediately posted to your ESL account, but may not be immediately available for withdrawal. In some cases, funds will be unavailable for withdrawal until the second business day following an ATM deposit. This time frame may vary, however, depending on the verification of the contents of the ATM deposit envelope.

**ESL Visa Check Card & ESL Visa HSA Card** The amount of authorized purchases made with your ESL Visa Check Card or ESL Visa HSA Card at Visa merchant locations will be made immediately unavailable for withdrawal from your designated ESL Checking Account or ESL HSA for up to two full business days following the date you performed the transactions. Most Visa purchase transactions will clear your designated ESL Checking Account or ESL HSA in one to two business

days, but some Visa purchase transactions (especially those performed at Visa merchants not electronically connected to Visa) may take longer, even weeks.

You remain liable for the full amount of any Visa purchases made with your ESL Visa Check Card/ESL Visa HSA Card regardless of how long the purchase transaction takes to clear your designated ESL Checking Account/ESL HSA and regardless of the balance in your account at the time the transaction clears.

**When using your ESL Visa Check Card or ESL Visa HSA Card and you do not enter a PIN, the transaction may be processed as either a Visa Check Card/Visa Debit Card transaction or a transaction on the NYCE networks. Merchants must provide you with a clear way of choosing how you want to make a Visa Check or Visa Debit Card transaction if they support this option.**

**Electronic Check Conversion (ECK)** When you provide a check for payment, you authorize us to either use information from your check to make a one-time electronic fund transfer (ECK) from your account or to process the payment as a check transaction. For electronic transactions, funds may be withdrawn from your account as soon as the same day we receive your payment and your check will be destroyed.

**Exchange Rates for Foreign Transactions** The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date.

An International Service Assessment fee in the amount of 1% of the international transaction will be deducted from your account.

**TEL-E\$L** TEL-E\$L transactions performed Monday through Saturday during regular business hours are immediately posted to your account. Transactions completed after regular business hours and on Sundays and holidays will be posted to your account(s) on the next business day.

**Automated Transactions** In the case of ACH transactions originated by third parties, posting dates are determined by the originator of the transaction and are submitted to ESL with the transaction itself. ESL posts these ACH transactions on the date provided by the originator, even if ESL receives the transaction(s) before the scheduled posting date.

For ACH transactions authorized by you to be originated by ESL for the purpose of paying your ESL Loan or Mortgage, posting dates will be determined by ESL that satisfy the terms of your loan or mortgage agreement.

For ACH transactions authorized by you to be originated by ESL to transfer funds from another institution to your share and/or loan account(s) at ESL, the posting date(s) will be authorized by you on the ACH transaction authorization form. However, the specific posting date(s) may periodically

change to complete processing around weekends and holidays.

**ESL Online/Mobile/Text Banking** ESL Online/Mobile/Text account transactions performed Monday through Saturday during regular business hours are immediately posted to your account(s). Transactions completed after regular business hours and on Sundays and holidays will be posted to your account(s) on the next business day. A record of these transactions will be fully disclosed on your periodic statement. In addition, you will receive a confirmation number at the time of each transaction.

**ESL Online Bill Pay** You should allow at least three business days for electronic payments and five business days for merchants, institutions or individuals to receive your check payment. For recurring payments, your payment will be sent to the merchant, institution or individual on the date you selected or the previous business day if that date is a weekend or holiday. If you authorize an "on demand" payment to be made on the same business day, that payment will be sent to the merchant, institution or individual on the next business day. Payments will be posted to your ESL account within two business days of the date that the payment was sent to the merchant, institution or individual. A record of these transactions will be fully disclosed on your periodic statement. In addition, you will receive a confirmation number at the same time of each transaction.

**Expedited Payments (via ESL Online Banking)** You should allow at least one business day for Expedited Payments. The cutoff time for electronic (ACH) payments depends on the payee. The cutoff time for an overnight check (paper) is 4:45 p.m. EST.

**ESL In-Person Bill Pay** Bill payment timing can include same day payment, next business day payment and standard payment. Same day payment and next business day payment is a specific option per payee and not available for all payees. For a standard payment, you should allow at least three business days for a payee to receive your payment. You will receive a receipt when you request the payment. The exact time your payee will post your bill payments will vary based on the payee.

**Transfer to External Accounts (via ESL Online Banking)** External transfers requested Monday through Friday during regular business hours are posted to your destination account once the funds have been successfully drawn from your source account. Your transaction remains "In Process" for the number of days indicated while initiating your transfer from the day you send your request. After that, the status gets updated to "Complete," indicating a successful transaction, provided we have not received notice of any problems with the transfer.

**Member to Member Transfers (via ESL Online Banking)** Transactions performed Monday through Saturday during regular business hours are immediately posted to the recipient's account. Transactions completed after regular business hours and on Sundays and holidays will be posted to your account(s) on the next business day. A record of

these transactions will be fully disclosed on your periodic statement. In addition, you will receive a confirmation number at the time of each transaction.

**Person to Person Payments** are generally available for your payee to collect within two to three business days from the day you have submitted your request. The recipient must complete the collection process within 30 days of receiving email notification of your Person to Person Payment. If there has been no response from your payee, the funds are automatically returned to the source account.

**Periodic Statement** A record of all EFT transactions will be fully disclosed on your periodic statement.

## **5. DOCUMENTATION OF TRANSFERS**

---

**ESL ATM Card** You will get an acknowledgment form at the time you make any transaction from or to your account(s) using an ATM.

**ESL Visa Check Card** You will get an acknowledgment form at the time you make any transaction from or to your account(s) using either an ATM or POS facility. You will also get a receipt at the time of purchase when using your card at Visa merchant locations. You may not get a receipt if the amount of the transaction is \$15.00 or less.

**ESL Visa HSA Card** You will get an acknowledgment form at the time you make any transaction from your HSA(s) using either an ATM or POS facility. You will also get a receipt at the time of purchase when using your card at Visa merchant locations. You may not get a receipt if the amount of the transaction is \$15.00 or less. Under IRS and Treasury regulations, all payments from your ESL HSA require third party documentation. You are responsible for meeting any documentation requirements.

**ACH Transactions** If you have arranged to have direct deposit of payroll made to your account, the company making the deposit will tell you every time they send us a deposit. If you have arranged to have other types of direct deposits made to your account at least once every 60 days from the same person or company, you can log into ESL Online Banking at [esl.org](http://esl.org) or call TEL-E\$L at 585.336.1000 or 800.848.2265 to find out whether or not the deposit has been made.

If you are making pre-authorized payments to a person or company through ACH transactions, and the amount of the payments could vary, the person or company you are going to pay, including ESL, will tell you, 10 calendar days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.

Transfer to External Accounts and Person to Person Payments will be documented with an email to the email address you provided upon registration for the service.

**All EFT Services** Checking, Premier Checking, Simple Spending, Money Maker, Premier Money Maker, HSA and

some Daily Dividend Savings Account statements are sent to you each month. Other Daily Dividend Savings Account statements, where there are no EFT transactions in a particular month, are mailed at the end of each calendar quarter. Statements will indicate all of your account activity including EFT and POS transactions during the statement period.

## **6. LIABILITY FOR FAILURE TO MAKE TRANSFERS**

---

If we do not complete a transfer from or to your account(s) on time or in the correct amount, the liability of ESL is limited to any late fees you may have incurred as a result of the failure to effect the transfers. In addition, ESL is not liable:

### **ESL ATM Card, ESL Visa Check Card & ESL Visa HSA Card**

1. If the ATM where you are making the transfer does not have enough cash, or;
2. If the ATM, POS, or Visa terminal was not working properly.

### **TEL-E\$L**

1. If there is a terminal or equipment failure.

### **ACH Transactions**

1. If the following occurs: Originators of ACH transactions to ESL may send ESL a "pre-notification" of impending transactions, before the actual transaction(s) is sent. ESL may reject a pre-notification and/or subsequent ACH transaction(s) if the required information to successfully post the transaction is inaccurate and/or incomplete. This process could delay the actual posting date of a scheduled ACH transaction or payment.
2. If ESL is originating the transaction:
  - a. If you have not given us complete, accurate, or current account numbers or other identifying information so that we or another financial institution can properly process your request.
  - b. If your account at another financial institution that you have requested ESL to draw funds from has an insufficient balance, stop payment, or some other encumbrance at the time of the transaction to prevent ESL from completing the transaction.
  - c. If another financial institution that you have requested ESL to draw funds from does not promptly or properly process your transaction within the guidelines of the Electronic Payments Network (EPN) or the National Automated Clearing House Association (NACHA).

### **ESL Online/Mobile/Text Banking, ESL Online Bill Pay and ESL In-Person Bill Pay**

If we do not complete a transfer from or to your account(s) on time or in the correct amount, the liability of ESL is limited to any late fees you may have incurred as a result of the failure to effect the transfers. In addition ESL is not liable:

1. If there is terminal or equipment failure.
2. If your telephone, PC, ESL Online/Mobile/Text Banking, or ESL Online Bill Pay was not working properly and

the equipment failure should have been apparent to you when you attempted to authorize a transaction.

#### **All EFT Services**

1. If, through no fault of ours, your account(s) does not contain enough money to make the transfer, or;
2. If the funds are subject to legal process or other encumbrances restricting such transfer, or;
3. If the transfer would go over the credit limit on an overdraft line of credit you may have, or;
4. If circumstances beyond our control (such as fire or flood) prevent the transfer, and we have taken reasonable precaution to avoid such circumstances.

## **7. LIABILITY FOR UNAUTHORIZED TRANSFERS**

---

**All EFT Services** An unauthorized transfer is a transfer that you have not authorized, including one made with a lost or stolen ESL ATM, ESL Visa Check Card or ESL Visa HSA Card and/or PIN or ESL Online/Mobile/Text Banking or TEL-E\$L PIN. If you believe that someone has transferred or may transfer money from your account without your permission, or if your account statement shows transfers you did not make you must notify ESL. Calling us is the best way of informing us and keeping your possible losses down, you may also contact us using ESL Chat Banking at [esl.org](http://esl.org). You could lose all of the money in your account (plus your maximum overdraft line of credit); however, if you tell us as soon as discovery is made of an unauthorized transfer, you may have no liability for the losses. Notwithstanding the above, you may be liable for greater amounts than listed above to the extent allowed under applicable law only if we determine that you were grossly negligent or fraudulent in the handling of your account.

## **8. UNLAWFUL USE OF FINANCIAL SERVICES**

---

Any financial service provided by ESL may be used for any transaction permitted by law. You agree that illegal use of any financial service will be deemed an action of default and/or breach of contract and such service and/or other related services may be terminated at the discretion of ESL. You further agree, should illegal use occur, to waive the right to sue ESL for such illegal activity directly or indirectly related to it. You also agree to indemnify and hold ESL harmless from any suits or other legal action or liability, directly or indirectly, resulting from such illegal use.

## **11. IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS**

---

**All EFT Services** Call us at 585.336.1000 or 800.848.2265, or use ESL Chat Banking at [esl.org](http://esl.org), or write to us at:

ESL Federal Credit Union  
P.O. Box 92714  
Rochester, NY 14692-8814

Contact us as soon as you can if you think your statement is wrong, if you think that someone has transferred or may transfer money from your account without your permission, if you need more information about a transfer listed on your statement or if you need more information about your bill payment. We must hear from you no later than 60 days after we sent you the FIRST statement on which the problem or error occurred, or for ESL In-Person Bill Pay Service no later than 60 days after we give you the receipt for the bill payment on which the problem or error occurred. If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

1. Tell us your name and account number(s).
2. Describe the error or the transfer you are unsure about and explain, as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will determine whether an error has occurred within 10 business days, (20 business days for new member accounts) after we hear from you and will correct any error promptly, by crediting your account within one business day. However, if we need more time, we may take up to 45 days (or 90 days for foreign-initiated transactions and all transfers resulting from point-of-sale debit card transactions and new member accounts) to investigate your complaint or question. If we decide to do this, we will re-credit your account within 10 business days (or 20 business days for new member accounts), so you can have access to the money during the time it takes us to investigate your complaint or question. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not re-credit your account. If we decide there is no error, we will send you a written explanation within three days after we complete our investigation and re-debit your account. You may ask for copies of the documents that we used in our investigation.

## **12. IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR STATEMENT**

---

If you think your statement is wrong, or if you need more information about a transaction on your statement, write to us on a separate sheet at the address listed on your statement. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. You can call us, but doing so will not preserve your rights.

In the letter give us the following information:

1. Your name and account number(s).
2. Describe the error and explain if you can, why you believe there is an error. If you need more information, describe the item you are not sure about.
3. The dollar amount of the suspected error.

YOUR RIGHTS AND RESPONSIBILITIES AFTER WE RECEIVE YOUR WRITTEN NOTICE - We must acknowledge your letter within 30 days, unless we have corrected the error by then.

Within 90 days, we must either correct the error or explain why we believe the statement was correct.

After we receive your letter, we cannot try to collect any amount in question or report you as delinquent. We can continue to bill you for the amount you question, including finance charges, and we can apply any unpaid amount against your credit limit. You do not have to pay any questioned amount while we are investigating, but you are still obligated to pay the parts of the statement that are not in question.

If we find that we made a mistake on your statement, you will not have to pay any finance charges related to your questioned amount. If we did not make a mistake, you may have to pay finance charges, and you will have to make up any missed payments on the questioned amount. In either case, we will send you a statement of the amount you owe and the date that it is due.

If you fail to pay the amount that we determine that you owe, we may report you as delinquent. However, if our explanation does not satisfy you and you write to us within 10 days telling us that you still refuse to pay, we must tell anyone we report you to that you have a question about your statement. We must also tell you the name of anyone we reported you to. We must tell anyone we report you to that the matter has been settled between us when it finally is.

If we do not follow these rules, we cannot collect the first \$50 of the questioned amount, even if your statement was correct.

**Special Rule for Credit Card (which could also include your check or debit card) Purchases** If you have a problem with the quality of property or services that you purchased with a credit card (which could also include your check or debit card) and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the property or services. There are two limitations on this right:

1. You must have made the purchase in your home state or, if not within your home state within 100 miles of your current mailing address; and
2. The purchase price must have been more than \$50. These limitations do not apply if we own or operate the merchant, or if we mailed you the advertisement for the property or services.

### **13. DOCUMENTARY EVIDENCE CHARGES**

---

If you request documentary evidence of a transaction on your account (for example, a verification of a withdrawal), we may pass along to you the cost to us of researching this evidence (see Fee Schedule for amount). No such charge will be imposed if the documentary evidence differs from the transaction as previously reflected on your statement.

## 14. SERVICE CHARGES

---

### **ESL ATM Card, ESL Visa Check Card & ESL Visa HSA Card**

All transactions are free when using an ESL ATM. Deposits, inquiries, transfers, POS, and Visa Check/Debit Card transactions are free. Five free non-ESL ATM withdrawals are available per month with direct deposit or Premier Checking. Thereafter, we will charge your account and you agree to pay a charge for all withdrawals over five per account each month that were processed at a non-ESL ATM. See Fee Schedule for amount.

You may be charged additional ATM transaction “surcharges” at certain ATMs owned and operated by other institutions and not controlled by ESL, even if the NYCE or PLUS network logos are displayed (and you may be charged a fee by them for a balance inquiry). An institution implementing an ATM transaction surcharge at their ATMs must disclose to you the amount of the surcharge before you complete your transaction and must give you the option to discontinue your transaction before you incur such a surcharge. ESL has no control over these surcharges and does not receive any portion of the surcharge.

Any ATM, POS, ESL Visa Check Card or ESL Visa HSA Card transaction that clears against insufficient funds in your account at ESL will result in an insufficient funds (NSF) fee for each transaction, regardless of the account balance indicated at the ATM, POS, or Visa terminal at the time you performed the transaction. Due to different computer updating processes, the account balance indicated at the ATM, POS, or Visa terminal may not always reflect the actual balance in your account at ESL. Refer to the Fee Schedule for fee amounts.

If you request a new ATM Card, Check Card or HSA Card to be expedited, there may be a rush charge fee. See Fee Schedule for fee amount.

**ACH** Any ACH transaction that clears against insufficient funds in your account at ESL will result in an NSF fee for each transaction according to the Fee Schedule.

**Expedited Payments (via ESL Online Bill Pay)** A convenience fee will be assessed for each Expedited Payment through ESL Online Bill Pay, see Fee Schedule.

**Transfers to External Accounts** If you have requested an External Account Transfer, we will charge the account which you are transferring funds from according to the Fee Schedule for each transfer that you send. If you authorize an External Account Transfer that causes your designated ESL account to overdraw, your account will be charged an overdraft charge (see Fee Schedule for amount). However, ESL reserves the right to cancel any External Account Transfer that would cause your designated ESL account to be overdrawn. All charges will be automatically debited from your designated account at ESL.

**Person to Person Payments** If you have requested a Person to Person Payment, we will charge the account which you are authorizing the funds to be withdrawn from according to the Fee Schedule for each payment that you send. If you

authorize a Person to Person Payment that causes your designated ESL account to overdraft, your account will be charged an overdraft charge (see Fee Schedule for amount). However, ESL reserves the right to cancel any Person to Person Payment that would cause your designated ESL account to be overdrawn. All charges will be automatically debited from your designated account at ESL.

**Special Rule for Simple Spending Account** This account will not incur any insufficient funds (NSF) fees. Any ATM, POS, ACH or Visa Check Card transaction initiated for an amount over your available account balance may be declined.

## 15. STOPPING PAYMENT

---

**ESL ATM Card, ESL Visa Check Card, ESL Visa HSA Card & TEL-E\$** In view of the immediate posting of some of these transactions, you may not stop payment on any ESL ATM Card, ESL Visa Check Card, ESL Visa HSA Card or TEL-E\$ transactions.

**ACH Transactions** If you have arranged with a third party to make regular ACH debits from your account; you can stop any of those withdrawals.

**Single Pre-Authorized Payment** If you wish to stop a single pre-authorized payment, call us at 585.336.1000 or 800.848.2265, use ESL Chat Banking at esl.org, or write to us at the address in Section 11 in time for us to receive your request three business days or more before the payment is scheduled to be made. If you call, we will require you to put your request in writing, and submit it to us within 14 days after you call. A stop payment fee may be charged for this service; refer to the Fee Schedule.

**Series of Pre-Authorized Payments** If you wish to stop a series of pre-authorized payments to be made to the same person or company over a period of time, you must first contact the payee who was to receive the payments, requesting that the payments be discontinued. Then, call us at 585.336.1000 or 800.848.2265, use ESL Chat Banking at esl.org, or write to us at the address in Section 9 in time for us to receive your request three business days or more before the next payment is scheduled to be made. We will then stop all future payments to that payee. If you call, we will require you to complete an Affidavit of ACH Stop Payment Activity, and submit it to us prior to the next scheduled debit. We may also require a copy of the notice that you sent to the payee who was to receive the pre-authorized payments, requesting that the payments be discontinued. A stop payment fee may be charged for this service; refer to the Fee Schedule.

**ESL Online/Mobile/Text Banking and ESL Online Bill Pay** In view of the immediate posting of ESL Online/Mobile/Text Banking transactions, you may not stop payment on any ESL Online/Mobile/Text Banking transaction. However, you may stop payment on ESL Online Bill Pay transactions if the payment has not yet been processed. Simply select "Cancel" next to the payment in the "Pending Payments" section of the "Make Payments" summary screen. If you have questions

regarding a stop payment you may use ESL Chat Banking at [esl.org](http://esl.org), or call 585.336.1000 or 800.848.2265 and speak with an ESL Representative.

**ESL In-Person Bill Pay** Except for same day payments, a bill payment can only be stopped on the same day it was processed. In view of the immediate nature of a same day transaction, you may not stop payment on a same day payment.

**Transfers to External Accounts** You may cancel an External Transfer any time before the cutoff time (1:00 a.m. ET) by clicking on the "Cancel" link next to the transaction in the "Status" column. Once your transfer funds request has been transmitted to ACH, you can not cancel the transaction. You may request a second transfer between the same two accounts to attempt to send the funds back to their point of origin (reversing your first transfer).

**Person to Person Payments** You can stop a Person to Person Payment at any time before the recipient collects the funds by going to your "History" screen, find the transaction in question, and click "Cancel" next to the transaction under the "Status" column. You will be asked if you're sure you want to cancel the transaction. Click "Yes." You can also cancel a transaction in the exact same manner from the "Action" column of your "Overview" screen. The funds will be returned to the account of origin.

**Loan Payments from External Accounts** You may cancel a payment any time before the cutoff time (4:00 pm ET) by clicking on the "Cancel" link next to the transaction in the "Status" column. Once your transfer funds request has been transmitted to ACH, you cannot cancel the transaction.

## **16. LIABILITY FOR FAILURE TO STOP PAYMENT**

---

**All EFT Services (except ESL In-Person Bill Pay)** If you request to stop one or more payments three business days or more before the transfer is scheduled and we do not do so, the liability of ESL is limited to any late fees you may have incurred as a result of the failure to effect the transfers. In addition ESL is not liable:

1. If there is a terminal or equipment failure.
2. If circumstances beyond our control (such as fire or flood) prevent the transfer, and we have taken reasonable precaution to avoid such circumstances.
3. Our failure to stop payment resulted in payment on your behalf of a debt for which you were actually liable and you thereby received the benefit of our payment.

**ESL In-Person Bill Pay** If you request to stop one or more payments on the day it was processed and we do not do so, the liability of ESL is limited to any late fees you may have incurred as a result of the failure to affect the transfer. In addition, ESL is not liable:

1. If there is a terminal or equipment failure.
2. If you have not given us complete, accurate or current account information or other identifying information so that we or a payee can properly credit your account.

3. If you do not request the payment soon enough for your payment to be received and credited by the payee by the due date.
4. If the payee does not credit your payment promptly or properly after the receipt.

## 17. CANCELLATION

You may cancel card privileges at any time by delivering all cards to us cut in half. We may cancel your card privileges at any time, and need not give you advance notice of such cancellation. ## **20. AMENDMENTS**

---

From time to time, we may amend this agreement. If an amendment results in increased cost to perform an EFT transfer or service; or increased liability to you, decreases the type of electronic funds transfers available to you, or places stricter limitations on the frequency or dollar amount of transfers, written notice of the amendment will be mailed to your current address as shown on our records at least 21 days before the effective date of the amendment. If you have registered to receive your statements online at [esl.org](http://esl.org), you have agreed to receive all disclosures electronically; therefore, you will receive notice of the amendment on our website.
